Forgotten your password?

English

Use the fields in the *Login* dialog to authenticate your connection:

- Provide the email address associated with your account in the *Email Address* field.
- Provide your password in the *Password* field.
- Click the *Login* button to securely log into pgAdmin.
- Please note that, if the pgAdmin server is restarted then you will be logged out. You need to re-login to continue.

Recovering a Lost Password ¶

If you cannot supply your password, click the *Forgotten your password?* button to launch a password recovery utility.

The image shows a screenshot of the pgAdmin 4 'Recover Password' dialog. It has a dark blue background. At the top left is the pgAdmin 4 logo. Below it, the title 'Recover Password' is centered. Under the title, there is a text prompt: 'Enter the email address for the user account you wish to recover the password for:'. Below this prompt is a white text input field with the placeholder text 'Email Address'. At the bottom of the dialog is a large blue button with the text 'Recover Password' in white.

- Provide the email address associated with your account in the *Email Address* field.
- Click the *Recover Password* button to initiate recovery. An email, with directions on how to reset a password, will be sent to the address entered in the *Email Address* field.

If you have forgotten the email associated with your account, please contact your administrator.
